

VOGE *300AC*

Packed with free-spirited Café Racer attitude, the 300AC is a model best suited to riders seeking a super-trendy but uncomplicated retro look. Comfortable ergonomics combined with exceptional road manners all lead to a superior riding experience.

VOGE's retro-styled 300AC offers many features that combine the old with the new. The famous street racer 'chopped-tail' look gives the AC a classic appearance, but is combined with a contrasting new-age trellis frame chassis and a host of modern sportbike features to produce an elegant head-turner, even when standing still.

The responsive YF300 liquid-cooled engine and 6-speed gearbox provide an impressive 135km/h top speed, making it perfect for all-day urban or highway commuting.

Like the rest of the range, the 300AC features an electric-start, sporty alloy wheels, tube-less tyres, disc brakes, LED lights, digital trip-meter and many other well-engineered features.
